FOOTMARK SMOOTH RED

NOREX
— SELECTED BRANDS SINCE 1981 —

"A warm and succulent red wine"

Story Footmark Smooth Red is always a blend of several grape varieties of South African wines. Several varieties bring depth and nuance to the wine. This red wine also typically contains some residual sugar, which makes it pleasantly soft and round. Wine grapes come from WO Western Cape-grade regions. The wine is packaged in a light glass bottle and suits vegans. In addition, the product is locally certified by Sustainability&Integrity in South Africa. This soft red wine is well-suited for barbecue evenings as well as conversations by the fireplace. Norex Selected Brands is a Finnish family business, who owns the Footmark brand. Norex's long experience as a connoisseur of Finnish wine tastes provides the basis for the production of Footmark wines in cooperation with quality, with environmentally conscious wine producers.

Producer Norex Selected Brands is a Finnish family-owned company that has understood the preferences of Finnish beverage enthusiasts since 1981. Through its own brands, Norex Selected Brands produces high-quality alcoholic beverages for Finnish consumers. The products consistently maintain excellent quality, and the production process aims to incorporate environmentally friendly solutions.
