EN VITTU TIIÄ 8%

Story

This easy-going party bubbly is produced in Germany using the tank fermentation (Charmat) method. En vittu tiiä has become a hugely popular Finnish social media phenomenon. It all began in 2019 when two friends created the Instagram account @envittutiiaofficial simply for their own amusement. The account quickly gained followers and soon grew into a nationwide phenomenon. It's easy to see why: the clever and relatable slogans are inspired by the thoughts and situations that many Finns encounter in everyday life. The sparkling wine captures the same relaxed and humorous spirit. It is packaged in a lightweight glass bottle weighing just 560 g.

Producer

Norex Selected Brands is a Finnish family-owned company that has understood the preferences of Finnish beverage enthusiasts since 1981. Through its own brands, Norex Selected Brands produces high-quality alcoholic beverages for Finnish consumers. The products consistently maintain excellent quality, and the production process aims to incorporate environmentally friendly solutions.

COLOR Pale yellowish

AROMA White currants can be detected on the mild nose, pears, melon, gooseberries and citrus

TASTE Medium dry, mildly fruity, light notes of citrus and easily approachable

TIPS FOR USE If you decide to skip your workout due to a general 'can't be bothered' mood, this sparkling wine is a great choice. Otherwise, I honestly don't know. When it comes to food, it pairs especially well with comfort dishes, leaning towards snackable treats. Chips, salted peanuts, marshmallows, and other slightly indulgent options. If you can muster the energy to call Wolt or Foodora, I'd go for Tex-Mex. With all the toppings.
