FOURNIER MMM PINOT NOIR

”Juicy”

Story The wine label notation

Producer "Fournier Père & Fils has been recognized as one of the world's top 100 wine producers for two consecutive years. This recognition significantly reflects the expertise, understanding, and passion for quality that has been the cornerstone of the winery since its inception in 1926 in Verdigny, at the heart of Sancerre. The history of the estate is deeply intertwined with the entire Sancerre region, and its wines are best enjoyed as companions to gourmet-level cuisine, embodying authentic French savoir-faire, traditions, and heritage. Though Sauvignon Blanc has found its way into many corners of the wine world, often with great success, tasting the wines of Fournier Père & Fils can easily evoke the idea of this grape variety's original home. Its name might not be found on the label; you have to know it. After all, we are in France. However, much has evolved since the time of Hélène and Léon Fournier: traditional values are still honored, yet today's cellar is equipped like a winemaker's paradise, merging expertise with determination as Fournier competes at the level of the world's best wines."

COLOR Ruby red color

AROMA Fresh red fruits and berries dance in the aroma, including cherries, raspberries, strawberries, blueberries, and sour cherries.

TASTE The taste is elegantly fruity, berry-like, with delicate plum notes, silky tannins, long and elegant. The long finish lingers with sweet berry flavors and ripe cherry notes.

TIPS FOR USE Pinot Noir Val de Loire is a versatile wine for the connoisseur, suitable for both refined dining and everyday indulgence. It pairs well with dishes like duck breast, especially when accompanied by apricots, cherries, or grapes. It also serves as a versatile cheese wine.
