## WITH LOVE CULO & CAMICIA SAUVIGNON

### Story

Shirt and butt is a typical Italian saying that expresses the extremely close relationship between two people. If you are shirt and butt with someone, you are inseparable. Torri Cantine's new With Love series stems from this combination and embodies the producer's belief: Love is love, no matter what. Love finds its way despite our differences. Riccardo Di Virgilio Mambella is the creator and ideator of these labels. He envisioned in his mind what love should always be like—regardless of differences—and sought pairs that are both peculiar and surprising.
