VILLA MARIA EARTHGARDEN SAUVINGON BLANC

”Elegant”

Story EarthGarden is Villa Maria’s first fully organically grown and BioGro-certified wine series. Masses of wildflowers are planted between the vineyard rows to attract bees and beneficial insects that help control pests and diseases in harmony with nature. These wildflowers also inspired the beautiful EarthGarden label design. Pesticide-free and toxin-free vineyard care results in healthier vines and grapes, which require less intervention during winemaking—allowing the varietal and terroir characteristics to shine purely in every bottle.

COLOR Pale straw yellow

AROMA The aroma offers tropical fruits, grapefruit, blackcurrant leaves, and herbs

TASTE The taste is very dry, highly acidic, currant-like, richly fruity, long, and well-balanced
