# ORSOGNA LUNARIA COSTE DI MORO MONTEPULCIANO D'ABRUZZO

"With frenzy and strength"

**Story** The Coste di Moro Montepulciano d'Abruzzo grapes grew partially in high pergolas, partly in Guyot-bound vines at an altitude of 300 to 450 metres above sea level. After careful selection, the bunch rachis were removed and the grapes were pressed. Fermented with crusts on natural yeasts at a temperature of 25 to 28 °C for 10 to 15 days. The wine was matured partly in casks and partly in steel tanks, after this, further aging in bottles. This Demeter certified biodynamic wine suits vegans.

**Producer** Cantina Orsogna is an award-winning cooperative in Abruzzo, focusing on indigenous grape varieties such as Montepulciano d'Abruzzo, Cococciola, Trebbiano d'Abruzzo, and Pecorino. Orsogna is committed to biodynamic practices in winemaking, and many of their wines hold strict Demeter certification. Through their Lunaria brand, they participate in the World Wildlife Fund's wolf conservation project, aimed at preserving the native wolves of Abruzzo and Calabria. Instead of traditional capsules, the bottles are sealed with rustic twine managed by the local BABALU Friendship Farm. Their dedication and trust in the original nature, its charm, and the unveiling of its best qualities, have resulted in the Lunaria wine series, harmoniously blending excellence and strong personality. In the background, the sea and the Majella National Park immerse into dreams that give birth to ambitious projects. All of Orsogna's wines are organic and suitable for vegans.

**COLOR** Dark Ruby Red

**AROMA** Black Cherries, blackcurrant jam, cocoa, cinnamon and oak

**TASTE** Intense fruity, jelly flavour serves dark berries and velvety tannins drive vanilla, the spiciness of cinnamon and leather. The mouthfeel is almost chewable and the long finish leaves an almondy longing

**TIPS FOR USE** This richly flavoured wine is perfect for dark meat, seasoned sausages, stews, juicy pasta sauces and ripened cheeses.
