ZEROPURO LANDAE PINOT GRIGIO

”Personalised,high quality start-up wine”

Story

Zero Puro Landae is a Demeter-certified biodynamic wine that is suitable for vegans. The wine develops its orange colour through 30 hours of skin contact. It is then fermented with natural yeasts for approximately one month. The wine is unoaked and unfiltered. It is bottled in a lightweight glass bottle with a lower carbon footprint than a traditional glass bottle. The label is made from 100% recycled material.

Producer

Cantina Orsogna is an award-winning cooperative in Abruzzo, focusing on indigenous grape varieties such as Montepulciano d’Abruzzo, Cococciola, Trebbiano d’Abruzzo, and Pecorino. Orsogna is committed to biodynamic practices in winemaking, and many of their wines hold strict Demeter certification. Through their Lunaria brand, they participate in the World Wildlife Fund's wolf conservation project, aimed at preserving the native wolves of Abruzzo and Calabria. Instead of traditional capsules, the bottles are sealed with rustic twine managed by the local BABALU Friendship Farm. Their dedication and trust in the original nature, its charm, and the unveiling of its best qualities, have resulted in the Lunaria wine series, harmoniously blending excellence and strong personality. In the background, the sea and the Majella National Park immerse into dreams that give birth to ambitious projects. All of Orsogna's wines are organic and suitable for vegans.
