

ZEROPURO LANDAE PINOT GRIGIO

“Personalised, high quality start-up wine”

Story Zero Puro Landae is a Demeter certified start-up wine, organic wine, biodynamic wine that suits vegans. The wine develops an orange colour with 30 hours of shell contact. The wine then goes to natural yeasts for about a month. No oak. The wine is also not filtered. Biodynamic farming works in balance with nature, maintaining the fertility of the soil and the vitality of the vines. It is packaged in a light glass bottle. Natural cork in bottles is an ecological choice. No capsules, no plastic waste. The label is made of 100% recycled material and 100% ‘tree free’, the trees have not been felled for the sake of the labels.

Producer Cantina Orsogna is an award-winning cooperative in Abruzzo, focusing on indigenous grape varieties such as Montepulciano d’Abruzzo, Cococciola, Trebbiano d’Abruzzo, and Pecorino. Orsogna is committed to biodynamic practices in winemaking, and many of their wines hold strict Demeter certification. Through their Lunaria brand, they participate in the World Wildlife Fund’s wolf conservation project, aimed at preserving the native wolves of Abruzzo and Calabria. Instead of traditional capsules, the bottles are sealed with rustic twine managed by the local BABALU Friendship Farm. Their dedication and trust in the original nature, its charm, and the unveiling of its best qualities, have resulted in the Lunaria wine series, harmoniously blending excellence and strong personality. In the background, the sea and the Majella National Park immerse into dreams that give birth to ambitious projects. All of Orsogna’s wines are organic and suitable for vegans.
