# LUNARIA LABELLE MALVASIA ORGANIC

"A beauty for wine"

**Story** La Belle Malvasia is biodynamic, demeter certified organic wine, that goes with natural yeasts. 85% of grapes are Malvasia di candia aromatica. Fermentation takes place in cool steel tanks at a temperature of 12-14 °C to maintain fruitiness and is preceded by a short crust contact, i.e. the crusts spend a moment in the juice produced by the soft compression. Fermentation is very slow, for about 30 days. Wine is not filtered, but clarification is done by gravity by decanting.

**Producer** Cantina Orsogna is an award-winning cooperative in Abruzzo, focusing on indigenous grape varieties such as Montepulciano d'Abruzzo, Cococciola, Trebbiano d'Abruzzo, and Pecorino. Orsogna is committed to biodynamic practices in winemaking, and many of their wines hold strict Demeter certification. Through their Lunaria brand, they participate in the World Wildlife Fund's wolf conservation project, aimed at preserving the native wolves of Abruzzo and Calabria. Instead of traditional capsules, the bottles are sealed with rustic twine managed by the local BABALU Friendship Farm. Their dedication and trust in the original nature, its charm, and the unveiling of its best qualities, have resulted in the Lunaria wine series, harmoniously blending excellence and strong personality. In the background, the sea and the Majella National Park immerse into dreams that give birth to ambitious projects. All of Orsogna's wines are organic and suitable for vegans.

**COLOR** Light golden yellow

**AROMA** Melon smelling, pale grapefruit, yellow flowers and ginger

**TASTE** Medium dry, freshly acidic, vigorously fruity, nuanced and enjoyable

**TIPS FOR USE** La Belle Malvasia is a tasty aperitif and an excellent social wine, but it also works with seafood, pasta for wine, white meat and cheese wine.
