BELLAVISTA ALMA GRAN CUVÉE BRUT FRANCIACORTA

BELLAVISTA
FRANCIACORTA

"Soulful sparkling wine"

Story Bellavista Alma Gran Cuvée perfectly reflects Franciacorta's success story. The quality and elegance of the region's sparkling wines have risen to the attention of those who appreciate wine in less than five decades. The grapes for Alma Gran Cuvée come from ten selected plots, the average age of the vines is about 25 years. Some of the wine is fermented and matured in small oak casks, which brings depth and nuance to the taste. Also included are reserve wines from previous years. The Alma Gran Cuvée matures in a bottle for 4 years on yeast lees. Alma Gran Cuvée has been manufactured since the company was founded.

Producer "Terra Moretti is a family-owned business with three main areas of operation: construction, wines, and luxury hotels. In 1977, Vittorio Moretti built his home and vineyard on the hilltop named Bellavista, where he began producing top-quality Franciacorta, which soon gained fame. Subsequently, he established another Franciacorta estate and expanded the wine business to Tuscany. Bellavista spans 198 hectares of vineyards covering 67 different types of soil, representing six distinct landscape types in the Franciacorta region. Their 107 vineyards are divided into 147 plots, which further form 224 micro-plots. Around 60% of their base wines ferment in stainless steel tanks (for fruitiness and acidity), while 40% age in old oak barrels (for depth and complexity). As a result, during spring when the cuvées (blends) are crafted, winemaker Mattia Vezzola has access to approximately 120 to 160 different base wines."
