# TOLLO TERRE DI CHIETI ROSSO IGP BIOLOGICO

CANTINA TOLLO

"Organic wine from Abruzzo suits vegans"

**Story** Cantina Tollo is one of the main producers of organic wine in Italy. This organic wine proudly represents the cooperative's long trajectory from organic farming that began in the 1990s, which now includes more than 50 farmers. The grapes are exclusively Montepulciano d'Abruzzo and were harvested in early October. A rich colour was extracted from the grapes in slowly chilled steel tanks, and fermentation and final maturation also took place in steel tanks for 4 months.

**Producer** "Cantina Tollo is a wine cooperative established in 1960, deriving its name from the village of Tollo located in the Abruzzo region of Italy near the Adriatic coastline. Cantina Tollo oversees over 3000 hectares of vineyards stretching from the Mediterranean Sea to the Maiella mountain range. The climate, characterized by warm days and cool nights, imparts complexity and acidity to the wines. The estate employs the pergola method for vine training, ensuring adequate airflow to shield the grapes from moisture and potential diseases. Cantina Tollo places a strong emphasis on environmental concerns, sustainable practices, and continually expands its production of organic wines."
