COLLE SECCO RUBI MONTEPULCIANO

CANTINA TOLLO

"Velvety, succulent d'Abruzzo"

Story in this region, red means Montepulciano d 'Abruzzo. Only one variety, which has produced a large number of red wines. What they all have in common is the colour ruby red and the aroma of ancient vineyards. This Montepulciano is harvested from the Cantina Tollon Rubi plot. This strong wine matures for twelve months in Slovenian oak casks, that gives it a little vanilla aroma and oak feel, but above all in terms of structure and consistency.

Producer "Cantina Tollo is a wine cooperative established in 1960, deriving its name from the village of Tollo located in the Abruzzo region of Italy near the Adriatic coastline. Cantina Tollo oversees over 3000 hectares of vineyards stretching from the Mediterranean Sea to the Maiella mountain range. The climate, characterized by warm days and cool nights, imparts complexity and acidity to the wines. The estate employs the pergola method for vine training, ensuring adequate airflow to shield the grapes from moisture and potential diseases. Cantina Tollo places a strong emphasis on environmental concerns, sustainable practices, and continually expands its production of organic wines."
