MEZZACORONA PINOT GRIGIO TRENTINO

”Pearl of Alto Adige”

Story

The grapes for this wine grew in high pergolas, from which they were hand-picked. At the foot of the Alps, the cool nights of the Adige Valley ensure fresh acidity and its rich light ensures perfect ripeness of the grapes. For many, Pinot Grigio has become an icon of Alto Adige thanks to its fresh fruitiness – and the Mezzacorona Pinot Grigio embodies it in style. This is precisely why it has received excellent reviews and multiple awards.

Producer

"Mezzacorona is a cooperative located in Trentino Alto Adige. It was established back in 1904 when 11 founding members joined forces. The company is renowned for its efficient production of high-quality wines. Currently, it boasts over 1,500 farmer members managing vineyards covering a total of approximately 2,800 hectares. The region's geographical position plays a pivotal role in viticulture: the soil, altitude, Mediterranean climate, and the presence of the Alps create various microclimates and vineyards, providing optimal conditions for several grape varieties. Among the most cultivated are Chardonnay and Pinot Grigio. Mezzacorona's agronomists assist farmers in selecting the most suitable grape varieties for each vineyard and soil type. The company's operations are based on sustainable development practices. Nearly all waste is recycled, and between 2015 and 2019, the amount of waste produced decreased by up to 56%. About 70% of the wine cellars are located underground, maintaining ideal temperature and humidity without mechanical regulation. A significant portion of the electricity is generated by solar panels, and local suppliers are supported in procurement. Mezzacorona obtained the sustainable development SQNPI certification in 2016."
