MEZZACORONA RE DEI PASSI

”Perfect for friends of rich & juicy wines!”

Story

The grapes are hand-picked from vineyards near the Dolomites and Lake Garda. Grown under abundant sunshine, they are harvested slightly later than usual—giving the wine its soft, jammy, ripe character. The vanilla and spicy notes come from several months of aging in oak barrels.

Producer

"Mezzacorona is a cooperative located in Trentino Alto Adige. It was established back in 1904 when 11 founding members joined forces. The company is renowned for its efficient production of high-quality wines. Currently, it boasts over 1,500 farmer members managing vineyards covering a total of approximately 2,800 hectares. The region's geographical position plays a pivotal role in viticulture: the soil, altitude, Mediterranean climate, and the presence of the Alps create various microclimates and vineyards, providing optimal conditions for several grape varieties. Among the most cultivated are Chardonnay and Pinot Grigio. Mezzacorona's agronomists assist farmers in selecting the most suitable grape varieties for each vineyard and soil type. The company's operations are based on sustainable development practices. Nearly all waste is recycled, and between 2015 and 2019, the amount of waste produced decreased by up to 56%. About 70% of the wine cellars are located underground, maintaining ideal temperature and humidity without mechanical regulation. A significant portion of the electricity is generated by solar panels, and local suppliers are supported in procurement. Mezzacorona obtained the sustainable development SQNPI certification in 2016."

COLOR Ruby red with a hint of violet

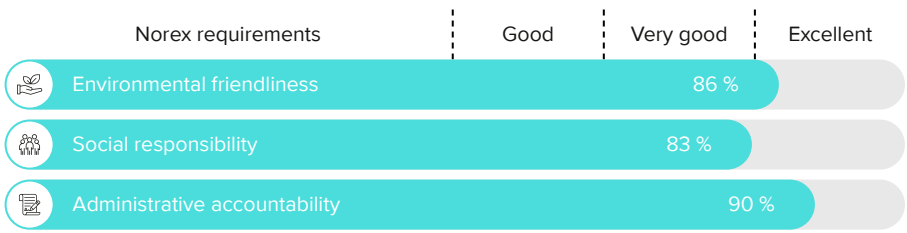

AROMA The generous aroma reveals dark berries, vanilla, and jam-like richness.
