VINTAE AROA MUTIKO

AROA BODEGAS

”Fresh Organic-Garnacha from Navarra”

Story the name ‘Aroa’ comes from the Basque language and means the right time/ moment for something. Mutiko also comes from Basque and means young boy. The grapes for this wine come from low-yield organic vineyards. Nutrient-poor calcareous loamy soil yields a lower yield in terms of quantity, which produces personalised wines with a strong aroma. The vineyards are located in the Urbasa and Andia mountain ranges, especially known for its red grape varieties. Garden vines have never been treated with synthetic chemicals. The fermentation of the wine is accompanied by a 12-day maceration. After fermentation, it has been allowed to mature in oak for 10 months.

Producer "Vintae owne Aroa Bodegas in Navarra, Spain, pioneers not only as a producer of organic and biodynamic wines but also excels in minimal logistics and environmentally friendly practices. The vineyards in the Yerri Valley are meticulously chosen, situated at higher altitudes with a short distance to the winery. The proximity to the Bay of Biscay, rich soil, and abundant sunlight support vine growth. The vineyards are tended through handwork, including leaf pruning and reducing yields, without the use of chemical additives. Minimal sulfur and copper sulfate are used to combat mildew. Production is marked by the idea of minimal interference, allowing the grapes to speak through the wine. The cellar consists of two underground levels that do not require mechanical cooling. Gravity moves the wine to the lower floor during production. Hand-picked grapes undergo gentle pressing, and filtration occurs through gravity. Tanks are small, and barrels are predominantly French. The estate's 25 hectares are divided into 7 plots, cultivating red Garnacha, Tempranillo, Cabernet Sauvignon, and Merlot, as well as white Garnacha Blanca and Moscatel grapes."

COLOR Cherry red with purple nuances

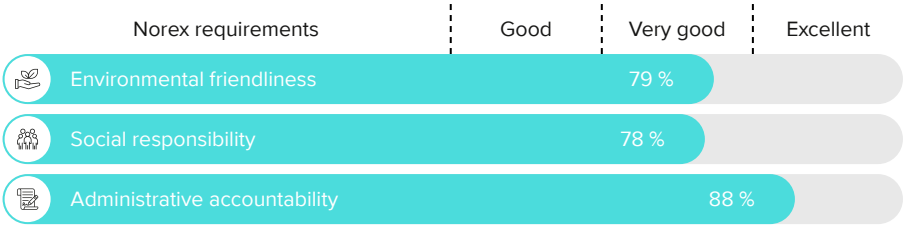

AROMA Intense with red berries, a bit of liquorice and spices in addition

TASTE Medium-bodied, quite acidic with soft tannins. The pleasant taste repeats the red berry and mild spiciness

TIPS FOR USE there are plenty of interesting wines. Thanks to its lightness and acidity, the wine can be combined with oily fish. Berryy and upright wine also works great with pork and long-cooked stews.
