BARDOS RESERVA

vintae

”A glass of life”

Story

Bardos wines are produced in the roughest and coldest part of Ribera del Duero, between the villages of Fuentemolinos and Moradillo de Roa. The vineyards have to endure very dry summers and endless winters, but the wines are impressive. To become big, the wine has to suffer. The character of this meaty wine is determined by the old vine Tinta del Pais (Tempranillo) and its elegance is complemented by the low-yielding Cabernet Sauvignon. Maceration and fermentation occurred at 28 °C during 4 weeks. Malolactic fermentation in new French oak casks, including 16 months of maturation.

Producer

"We are restless, creative, and rebellious. We are free thinkers who aim to revolutionize the wine world without losing our essence. We bottle stories and tell them as we go," says Ricardo Arambarri, CEO of Vintae. More than just a wine industry company, Vintae is a party you wouldn't want to miss. Fortunately, the invitation is included in every bottle, and there's no shortage of bottles. While Vintae's roots lie in Rioja, they operate in 15 different wine regions. Each wine has started as a project that challenges the traditional way of seeing and making wine. Vintae dares to dream, to try, to work hard, to change the world, and to have fun. "We are enthusiasts when it comes to wine. We make it, we drink it, and we even sell it." Vintae is a captivating company that is rewarding to follow. A visit to any of their locations is an eye-opening experience. Conversations easily shift from ancient Roman cellars to ultra-modern winemaking. Vintae is young in age but old in its roots—an entity that is radical, knowing what it is changing and why.
