SÉPTIMO SENTIDO VERDEJO

vintae

”Heavenly Verdejo”

Story

Deep within the human soul there is a constant battle between good and evil. Our sixth sense, séptimo sentido, guides us in our choices between virtue and vice. This wine is pure Verdejo, which has grown to high quality in a continental climate in extreme temperatures, in dry soil with a huge amount of light. The grapes were harvested at the end of September, they were aromatised in the cold to add colour and primary fruit aromas and gently squeezed. Juice turned into wine with natural yeasts in a cool tank and matured on fine lees for 4 months.

Producer

"We are restless, creative, and rebellious. We are free thinkers who aim to revolutionize the wine world without losing our essence. We bottle stories and tell them as we go," says Ricardo Arambarri, CEO of Vintae. More than just a wine industry company, Vintae is a party you wouldn't want to miss. Fortunately, the invitation is included in every bottle, and there's no shortage of bottles. While Vintae's roots lie in Rioja, they operate in 15 different wine regions. Each wine has started as a project that challenges the traditional way of seeing and making wine. Vintae dares to dream, to try, to work hard, to change the world, and to have fun. "We are enthusiasts when it comes to wine. We make it, we drink it, and we even sell it." Vintae is a captivating company that is rewarding to follow. A visit to any of their locations is an eye-opening experience. Conversations easily shift from ancient Roman cellars to ultra-modern winemaking. Vintae is young in age but old in its roots—an entity that is radical, knowing what it is changing and why.
