LIBALIS SEMIDULCE

vintae

"Gentle sweet fruit bomb"

Story Libalis grapes harvested in 1999 from the plantations of Finca Zarcillo and Finca Mejorana in the region of Calahorra. Harvest in August-September at night, so that the grapes could be harvested cool. Juice macerated with skins for 6 hours, followed by alcoholic fermentation in a refrigerated tank at 16 °C, but fermentation was interrupted by cooling the wine to a temperature of 0 °C, leaving sugar in the wine, making it medium sweet. The lively nuance is typical of Moscatel de Grano Menudo, Viura and Malvasia. This multi-award-winning wine suits vegans.

Producer "We are restless, creative, and rebellious. We are free thinkers who aim to revolutionize the wine world without losing our essence. We bottle stories and tell them as we go," says Ricardo Arambarri, CEO of Vintae. More than just a wine industry company, Vintae is a party you wouldn't want to miss. Fortunately, the invitation is included in every bottle, and there's no shortage of bottles. While Vintae's roots lie in Rioja, they operate in 15 different wine regions. Each wine has started as a project that challenges the traditional way of seeing and making wine. Vintae dares to dream, to try, to work hard, to change the world, and to have fun. "We are enthusiasts when it comes to wine. We make it, we drink it, and we even sell it." Vintae is a captivating company that is rewarding to follow. A visit to any of their locations is an eye-opening experience. Conversations easily shift from ancient Roman cellars to ultra-modern winemaking. Vintae is young in age but old in its roots—an entity that is radical, knowing what it is changing and why.

COLOR Light golden colour.

AROMA Fragrant peaches, tropical fruit, white flowers and honey.

TASTE The taste is medium sweet, a richly fruity, lively, notes of honey, floral and notes of citrus. A well-balanced and harmonious wine.
