SEPTIMO SENTIDO GARNACHA ROSADO

”Fresh chic”

Story

Séptimo Sentido is a wine series for those who want to enjoy every glass as if it were their last. Pure hedonistic pleasure, sinfully delicious. And if you're going to sin, do it carefully, as repentance is the same. This wine is 100% Garnacha, with the grapes grown at high altitude, benefiting from both Mediterranean and continental climate influences during the growing season. Temperature varies from one extreme to another, rainfall is minimal, and there is plenty of sunlight. Grapes were harvested in early October, and the grape juice fermented into wine in cooled stainless steel tanks at a low temperature of 15 - 16°C.

Producer

"We are restless, creative, and rebellious. We are free thinkers who aim to revolutionize the wine world without losing our essence. We bottle stories and tell them as we go," says Ricardo Arambarri, CEO of Vintae. More than just a wine industry company, Vintae is a party you wouldn't want to miss. Fortunately, the invitation is included in every bottle, and there's no shortage of bottles. While Vintae's roots lie in Rioja, they operate in 15 different wine regions. Each wine has started as a project that challenges the traditional way of seeing and making wine. Vintae dares to dream, to try, to work hard, to change the world, and to have fun. "We are enthusiasts when it comes to wine. We make it, we drink it, and we even sell it." Vintae is a captivating company that is rewarding to follow. A visit to any of their locations is an eye-opening experience. Conversations easily shift from ancient Roman cellars to ultra-modern winemaking. Vintae is young in age but old in its roots—an entity that is radical, knowing what it is changing and why.

COLOR Shimmering coppery

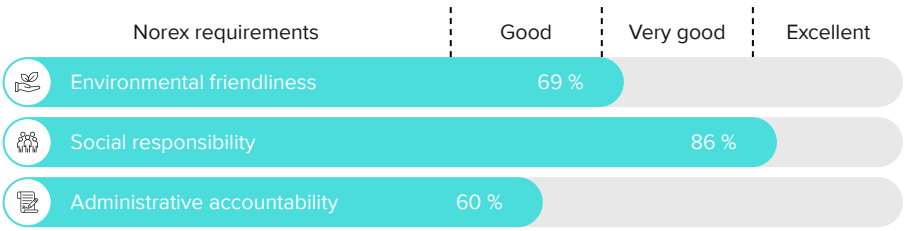

AROMA An intense, fresh aroma offers blackcurrants, rhubarb, red apples, and chili.

TASTE The taste is dry, with fresh berry notes, gently acidic, stylish, and surprisingly long.
