

VALTRA BY CHATEAU PUYBARBE

"The Tractor Wine"

Story VALTRA is a Finnish tractor manufacturer known for its expertise in agriculture. VALTRA by Château Puybarbe is a wine created in collaboration with Château Puybarbe, reflecting the connection between the two producers. One example of this cooperation is the tractor supplied to Château Puybarbe, which runs on rapeseed oil. The partnership with VALTRA brings a distinctive Finnish element to the wine and highlights the link between winemaking and agricultural know-how. The blend is composed of Merlot, Cabernet Sauvignon, Malbec and Cabernet Franc.

COLOR Deep ruby red in colour.

AROMA The bouquet reveals blackcurrants, dark plums, black cherries, cranberries, and herbs.

TASTE Full-bodied with soft tannins, juicy fruit character, purity, earthy notes, balance, and a long finish.

TIPS FOR USE VALTRA by Puybarbe pairs especially well with game dishes such as elk, deer, and reindeer, as well as other richly flavoured meat dishes.
