BROCARD PETIT CHABLIS

”Freshness and minerality”

JEAN-MARC BROCARD

Story

This wine is produced in the Burgundy region of France, under the Petit Chablis appellation. It is made from 100% Chardonnay grapes sourced from approximately 30-year-old vines growing in clay and limestone soils. Alcoholic fermentation takes place with indigenous yeasts at a controlled temperature (18–20°C), followed by full malolactic fermentation. The wine then ages on its lees for 6 months in stainless steel tanks.

Producer

Jean-Marc Brocard planted his first vines in 1973 in Préhy, within the Chablis region, where his estate is located. In the same year, his son Julien was born, who today leads the company with the latest biodynamic practices. The estate is one of the main players in Burgundy dedicated to organic farming. Precision, power, and freshness are the core principles and symbols of Jean-Marc Brocard's philosophy. Precision reflects the transmission of the Jurassic-era seabed into the vines, embodying the pure typicity of Chablis grapes. Power arises from the wine's structure, intensity, and length. Freshness emerges from the acidity created by the northern location and stony soil, which are characteristic of Chablis. In short, Jean-Marc Brocard's wines draw their true character from the soil. The estate's wines come from its own and leased vineyards covering a total of 200 hectares. Production includes the various expressions of Chablis, most of Auxerre's other wines, and three different terroirs of Burgundy white wine. Jean-Marc Brocard's wines are exported to 55 countries.

COLOR Pale yellow

AROMA An elegant bouquet with white flowers, acacia, and subtle citrus notes.

TASTE Dry, delicately fruity and floral, citrus-driven, elegant, and mineral.

TIPS FOR USE Brocard’s Petit Chablis is an excellent wine for fish, shellfish, oysters, and mussels.
