TEERENPELI HONEY WHISKY LIQUEUR

Story This Honey whisky liqueur is crafted using awardwinning single malt whisky from Teerenpeli Brewery & Distillery and locally sourced honey. The beehives are located in the yard of the Teerenpeli Visitor Center in Lahti, and can be admired on-site during the summer months. The aroma of Teerenpeli Honey reveals subtle smokiness and fruitiness from the single malt whisky matured in American oak barrels, complemented by sweet notes of apple and toffee. The local honey balances and softens the whisky's character. Teerenpeli Honey can be enjoyed neat, as a hot toddy, or in cocktails.
