

"A fresh summer fairy"

Story Amore Mio is made from ripe Frappato grapes grown on the sunny island of Sicily. The variation in the temperature of the area gives the wine a fresh acidity. They were collected by hand at the beginning of the harvest season and fermented in steel tanks. The wine is certified organic and suits vegans. The elegant label is finished with a kiss and a heart. According to its name (Amore mio means My beloved), the wine makes an excellent gift with a bouquet of roses.

Producer Mare Magnum's company philosophy is clear: there are many expensive high-quality wines in the world, but the greatest demand actually lies in high-quality wines that come with a reasonable price. Experienced individuals, Takis Soldatos and Mario Calzolari, founded Mare Magnum to produce wines that cater specifically to this demand. The company's production started with Italian wines originating from Apulia, Abruzzo, Piedmont, Sicily, Tuscany, Umbria, and Veneto. Mare Magnum's international team of winemakers continually travels the world, and their collaboration has resulted in many charming, modern wines from quite diverse locations. Currently, these include Australia, Spain, South Africa, South America, California, Greece, France, and New Zealand. Regardless of the country or wine, Mare Magnum's primary goal is to offer consumers exceptionally good value for money in innovative and attractive packaging.
