TEERENPELI KELLARIOLUT NO2 IMPERIAL STOUT

TEERENPELI
BREWERY ● DISTILLERY

Story Kellariolut NO2 – Imperial Stout is a jet-black, robust and fullbodied beer, a true masterpiece from our master brewer: a perfect blend of 10 malts and the second entry in the Kellerbier series. The aroma is a mixture of roastiness and sweetness of the malt. The taste is very soft, syrupy sweet and coffee-like. In the aftertaste, the sweet roastiness turns into a fruity chocolate cake, continuing its fireworks in the mouth for a long time.
