WEINGUT WINTER KLOPPBERG RIESLING GROSSES GEWÄCHS

"A masterpiece from a renowned winery in Rheinhessen"

Story The wine is made from vines in the Kloppberg vineyard, which are over 40 years old. The grapes are harvested very ripe, late in the autumn, resulting in aromatic and full-bodied wine.

Producer Stefan Winter sought experience and understanding through apprenticeships with renowned figures and started practicing his craft as a winemaker at the age of just 20 in the year 2000, continuing his family's vineyard traditions dating back to the 1600s. Weingut Winter's quality revolves around showcasing the distinct characteristics of individual vineyards in classic grape varieties such as Riesling and Pinot, supported by the use of wild yeasts. Precise and meticulous craftsmanship has become Stefan Winter's hallmark. Currently, Winter's winery stands as one of the most esteemed in Rheinhessen. The estate covers a total of 20 hectares, and the grapes used in the estate's wines come exclusively from their own vineyards. The majority of their production is Riesling. Since 2013, the estate has been a member of the prestigious VDP organization (Verband der deutschen Prädikatsweingüter).
